

# JORDAN MIDDLE SCHOOL

## Joint Finance Committee

### Grant Proposal

*Due to Lorraine Delannoy by Friday, March 16, 2007*

Date: \_\_\_\_\_

Title of request: \_\_\_\_\_

Person(s) requesting funds: \_\_\_\_\_

Amount requested: \_\_\_\_\_

On a separate page, please answer the following questions:

1. Please give a description of the project and itemize specific purchases and costs.
2. Does the proposal serve innovative ideas and/or programs within the context of student learning and teaching environment at Jordan? In what way?
3. What portion of the student population will be impacted?
4. How does the proposal address Jordan's school improvement plan goals, including goals relating to smaller communities of learning and developing "best practices"?
5. Does this proposal respond to an immediate need? Please explain.
6. Does the proposal address the needs of students under a team of teachers, at one grade level, or a teaching department, or within an interdisciplinary team? Please explain.
7. Please describe any other steps you have taken to obtain funds for your proposal and what the outcome was. If appropriate, have you requested funds through your department?
8. If your proposal is technology related, you must consult with Leslie Goldman before submitting this application. If applicable, what was the outcome of that conversation?

*The JFC is particularly interested in proposals submitted by teams of teachers, including department, grade level or interdisciplinary teams.*

Please submit this form to Lorraine Delannoy no later than Friday, March 16. Alternatively, you may submit your proposal electronically to [krasner@parcplace.net](mailto:krasner@parcplace.net). A printable pdf file is available on the Jordan website under Staff Resources.
