

Jordan Sixth Grade Supply List

The Sixth Grade teachers would like to give you a head start on getting the supplies you will need to begin the year at Jordan Middle School. The list below states the basics of what you will need for your core classes. However, core teachers may require a few additional items not on this list. Please be prepared to be asked to purchase a few extra supplies at the beginning of the year by your core teacher. Students are expected to keep track of and replenish supplies as needed. Spare materials should be stored in student lockers or at home.

Everyday you are expected to have with you in class the following:

- _____ three black or blue ball point pens
- _____ three #2 pencils (sharpened and ready to use) or mechanical pencils
- _____ one red correcting pen
- _____ one highlighter (any color)
- _____ colored pencils-sharpened & ready to use
- _____ one eraser- no vibrating eraser
- _____ one glue stick
- _____ calculator (basic 4-function)
- _____ small pencil sharpener with shavings catcher
- _____ supply container or zippered pouch (standard size) Please make sure all of the items listed above can fit into this container or pouch.
- _____ binder paper for your accordion folder or binders
- _____ two 70-page spiral notebook

Additionally, we encourage students to choose an organizational system that works for them. Please consider the following options A and B for purchase. If your student prefers to talk to their core teacher about what system might work best once school begins, you may wait until the start of school to choose your system. All core teachers accept both options A and B in their classrooms.

- _____ A. two three ring binders with dividers

OR

- B. an expandable accordion file folder

When purchasing a backpack, please consider the Jordan locker dimensions: 13.5" deep, 12" wide, 35" tall, 3 hooks at the top

In addition to these items... there are a few hard to find items that will be needed in math this year. Each student will need to have a safety compass and an angle ruler. These items can be ordered at registration for a fee of \$4.00. Please note, although these items will be purchased at registration, they will not be delivered until later in the school year.
