## **Jordan Digital Locker and Computer Use Contract**

In addition to signing and supporting the terms and conditions of the PAUSD Internet contract, students and parents must sign this contract and agree to abide by the following regulations:

1. No food, drinks, or gum are permitted in the classroom while on a computer .
2. Equipment is to be properly used, not abused.
3. Students may not alter or change any programs on school computers or their systems.
4. Students may access the Internet for educational use only.
5. Students may not access personal email accounts without permission of teacher.
6. Permission of teacher is required before downloading any files or data from the Internet.
7. Each student will be assigned a digital locker with a name and password. Students may not share this information with other students.
8. The digital locker may be used for educational purposes only.
9. Students may not access digital locker accounts other than their own.
10. Students may not alter or make changes to another student's files.
11. Students may not break into any school computer systems, digital lockers, or file servers, nor may they attempt to bypass any security settings.
12. Students are responsible to report computer or system alterations.

Any violations of this contract will be considered a serious offense and will result in disciplinary action and loss of computer access.
